

# Installing custom fields

"Custom fields" is a module that you can subscribe to.

Activate the module by clicking it under "Company settings" in the main menu (top).

### Egna fält

Skräddarsy dina egna fält som sedan kan användas för att lista specifika avtal senare.

---

Kostnad: 300 SEK / månad  
Testperiod: 14 dagar

**Prenumerera nu**

Once the subscription is activated, everyone in your company can use "Custom fields" for your contracts.

Read more on the following page how to configure "Custom fields".
