

Installing custom fields

"Custom fields" is a module that you can subscribe to.

Activate the module by clicking it under "Company settings" in the main menu (top).

Egna fält

Skräddarsy dina egna fält som sedan kan användas för att lista specifika avtal senare.

Kostnad: 300 SEK / månad
Testperiod: 14 dagar

Prenumerera nu

Once the subscription is activated, everyone in your company can use "Custom fields" for your contracts.

Read more on the following page how to configure "Custom fields".
